WARRANTS, CIRCULARS, &c.

30. CIRCULAR, No. 344.
General No. 65.

War Office, 19*th November*, 1858.

THE following Instructions are published for the information and guidance of Master Gunners and others in charge of Invalids, viz.:—

1. Estimates of Subsistence *in duplicate* for themselves and the Invalids under their charge are to be forwarded to the Invalid Office at Woolwich not later than 5th of the month preceding that for which they are made up, and care is to be taken that every part of them is properly filled in, and where rations are drawn that the number of days for which credit is given is correctly stated. It is to be distinctly understood that the amount for rations is to be deducted for the month for which the estimate is prepared, so that *no money* will remain in the hands of the Master Gunner on this account.

2. A supply of printed Forms sufficient for four months has been forwarded to each Master Gunner, &c. from the War Office. Demands for further supplies are to be sent to the Invalid Office at Woolwich from all Stations in Great Britain and the Channel Islands not later than the 1st December in each year, and from those in Ireland to the Artillery Offices of the District in which they are serving.

3. The attention of Master Gunners is especially called to Paragraph 11 of the Instructions dated War Office, 10th August, 1848, No. 301, relative to the transmission of their Pay Lists, which are to be sent to the Paymaster of the 1st Division *through the Accountant of the Invalid Artillery* at Woolwich. No Pay List will be kept in the Invalid Office, but copies of all documents are to be retained by the Master Gunners in order to facilitate answers to inquiries it may be found necessary to make.

4. On the removal of Invalids from one Station to another, and on the occurrence of any other casualty financially affecting the Detachment, a report is immediately to be made to the Invalid Office, in which the date to which the men have been subsisted must be shown.

5. In the Pay Lists, which are to be made up alphabetically, the Master Gunners will enter their own names under the head of "Officers." The regimental numbers of the men are also to be inserted.

6. To Master Gunners located by themselves the above instructions do not apply, except as regards the forwarding of their Estimates.

30. CIRCULAR, No. 345.
General No. 64. *To Regimental Paymasters, &c., &c.*

War Office, 19*th November*, 1858.

WHENEVER advances of money are made to men of the Royal Artillery and Royal Engineers by District or Regimental Paymasters, Paymasters of Militia or other Military Accountants, they are carefully to ascertain the Troop or Company and Battalion or Corps to which the men belong, in order that the particulars of the advance,

&c. may be transmitted to the Paymaster of the Division of the Royal Artillery or Royal Engineers at Woolwich and Chatham in whose payment the Battalion or Corps of the men receiving the advance is included, according to the following allotment, viz. :—

The 1st Division, at Woolwich, consists of the Royal Horse Artillery, Riding House Troop, Adjutant's Detachment Field Batteries, Master Gunners and Invalid Detachment.

The 2nd Division, Woolwich: the Battalions of Royal Artillery from 1st to 7th.

The 3rd Division, Woolwich: the Battalions of Royal Artillery from 8th to 14th.

The 4th Division, Chatham: the Corps of Royal Engineers.

In the event of Troops, Companies and Detachments of Royal Horse or Foot Artillery or Royal Engineers being ordered to proceed from one Station to another in the United Kingdom so unexpectedly as to render it impracticable to obtain an advance of money in the usual way from the Divisional Paymaster sufficiently early to meet immediate requirements, District and Regimental Paymasters, Paymasters of Militia and other Military Accountants having funds in their hands are hereby authorized to issue such sums to the Officers of Royal Artillery or Royal Engineers, by whom the disbursements are to be made, as they may require; the Paymaster or other Accountant making the advance reporting the transaction, without loss of time, to the Divisional Paymaster, who will forward him a bill in repayment on his separate account, with Messrs. Cox and Co., by return of post.

General No. 64.

CIRCULAR, No. 346.

To Officers commanding Battalions, Corps and Districts, and Captains or Officers commanding Troops, Companies and Adjutant's Detachments of Royal Artillery and Royal Engineers.

War Office, 19*th November*, 1858.

1. *Supplementary Estimates for the Expenses of a March.*

On the receipt of an order for the removal of a Troop, Company or Detachment of Royal Artillery or Royal Engineers from one Station to another in the United Kingdom, the Captain or Officer commanding the Troop or Company, should he not have sufficient money in hand, will immediately transmit a Supplementary Estimate for the probable expense of the march to the Paymaster of his Division, who will take the necessary steps for supplying the amount thereof.

2. *How Funds may be obtained in Cases of pressing Emergency.*

In the event, however, of the order for the march arriving so suddenly as to preclude the possibility of receiving a sufficiently early remittance from the Divisional Paymaster, the Officer commanding is hereby authorized to apply to any District or Regimental Paymaster, Paymaster of a Militia Regiment or other Military Accountant at the Station, who may have funds in hand, to make any advance that may be absolutely necessary, the Officer receiving the same notifying the amount to his Divisional Paymaster, transmitting at the same time a Supplementary Estimate as before mentioned, in order that the difference, if any, between the sum included therein and the amount received on account may be remitted to the Officer.

3. *Circular to Regimental Paymasters, &c.*

A copy of a Circular addressed to Regimental and other Paymasters and Accountants authorizing them to make the advances above referred to, if necessary, is annexed, for the information of the Officers concerned.

4. *Issues of Subsistence to be made Fortnightly to Officers detached.*

The issues of subsistence through the Paymaster General, &c. to Officers commanding Troops and Companies detached from Head Quarters will in future be made fortnightly,

period of weekly, unless the weekly payments be preferred, in which case it is to be so stated in the Memorandum on the back of the Monthly Estimate.

5. *Change of Officers commanding Companies, &c.*

When, at the period of transmitting the Monthly Estimate to the Divisional Paymaster, it is known that a change of Officers commanding Troops or Companies will take place at the date of either of the bi-monthly or weekly payments, as the case may be, a note to that effect is to be made at the foot of the Memorandum on the back of the Estimate, in order that the bills may be made payable accordingly; and whenever any such change is about to occur after the Estimate has been sent in, notice is to be *immediately* given to the Divisional Paymaster.

6. *Pay of Repository Serjeants and Drill Masters.*

In future the extra pay to Repository Serjeants and Drill Masters is to be charged in the "General State" of the Monthly Pay Lists of the Adjutant's Detachment of the Battalion or Corps to which they belong.

7. *Command Pay, how to be paid at Woolwich.*

The command pay of Officers commanding Battalions and Corps at Woolwich or Chatham will be paid by the Divisional Paymasters, on production of the usual certificate showing the period they are entitled thereto, which is to be charged in the Quarterly Battalion Pay List.

8. *Command Pay, how to be paid at detached Stations at Home and Abroad.*

Extra command pay at home and abroad, forage allowance when the claim has been established, extra pay to clerks and others, and authorized contingencies, including sums for Barracks and Schools, are to be drawn through any one of the Companies at the Station or within the District, the receipts of the Officers and others receiving the same being attached to the Pay Lists. Certificates from Commanding Officers showing the period for which they claim command pay are also to be annexed.

9. *Men attached to Companies, &c. for Purposes of Payment.*

Non-commissioned Officers and men at Out-stations at home and abroad, who do not receive their pay belonging to a Troop or Company at the Station or within the District, are to be paid through any one of the Troops or Companies serving at such Station or in such District, their names appearing in alphabetical order immediately after the men of the same ranks belonging to such Troop or Company, and the letter or number of the Troop or Company and the Battalion or Corps to which the attached Non-commissioned Officers and men belong are to be carefully stated in red ink above their names in the Muster Rolls and Pay Lists.

10. *Detached Men, how to be paid.*

Men detached in such situations as preclude the possibility of receiving their subsistence through the medium of a Troop or Company will receive it, by advice, from the Divisional Paymaster through any Paymaster at the Station, who will be reimbursed by the Divisional Paymaster by means of a bill at sight on his separate account with Messrs. Cox and Co.

11. *Remittance to Regimental Paymasters, &c.*

Officers commanding Troops, Companies and Adjutant's Detachments having occasion to remit money to District, Regimental or Militia Paymasters, in repayment of advances made to men or recruits, will do so in the following manner:—

No. 1 *Reports, how to be disposed of.*

On the receipt by the Divisional Paymaster of a No. 1 Report or other authorized document, it will be handed to the Officer commanding the Troop, Company or Detachment to which the men are sent, who will then instruct the Divisional Paymaster to

In all such warrants especial care must be taken to specify the Troop, Company or Detachment, and Battalion or Corps to which the men belong; and when men proceeding together belong to different Battalions, &c., a separate warrant is to be made for the men of each of such Battalions, &c.

13. *Credits for Rations on Board Ship.*

Non-commissioned Officers and men employed on recruiting duties by Adjutants at Head Quarters having "beating orders" are to continue, as at present, to be paid as "attached" men in the Adjutant's Detachments of the Battalions for which they are so employed. Men attached to the Adjutant's Detachment, 1st Battalion, for duty in the Band, are to be similarly paid.

15. *Recruits joining at Head Quarters.*

The names of recruits joining a Battalion at Head Quarters, and afterwards given over to the Royal Horse Artillery, Field Batteries, &c. before the end of the month in which they arrive at Head Quarters are to appear in the Pay List of the Adjutant's Detachment of the Battalion first receiving them as recruits, and in that of the Royal Horse Artillery or Field Batteries as effective men, and not as recruits, from the date they actually join the same, the pay, however, of those posted to the Royal Horse Artillery being charged to the end of the month, whether they are intended to serve as Gunners or Drivers, at the rate of 1*s.* 3½*d.* a day.

16. *Officers commanding Detachments of Troops or Companies.*

Officers commanding Detachments of Troops or Companies separated from the Head Quarters of such Troops or Companies are to prepare Pay Lists on War Office Form O. 44 for home service, and War Office Form O. 53 for foreign service for the Royal Artillery; and War Office Form O. 212 A for home, and War Office Form O. 212 for foreign service for the Royal Engineers, which they will transmit to the Officers commanding for embodiment in their Troop or Company Pay Lists; the Officers commanding the Troops or Companies providing for the amount required for such Detachments in their Estimates, taking such steps (abroad) for the transmission of the amount to the Officers detached, as directed in Paragraph 10 of the Instructions from the War Office, dated 10th August, 1858, No. 301. At home they will give such information in the Memorandum on the back of their Estimates as will enable the Divisional Paymasters to

13. *Credits for Rations on Board Ship.*

14. *Non-commissioned Officers and Men employed on Recruiting Duties at Head Quarters.*

Non-commissioned Officers and men employed on recruiting duties by Adjutants at Head Quarters having "beating orders" are to continue, as at present, to be paid as "attached" men in the Adjutant's Detachments of the Battalions for which they are so employed. Men attached to the Adjutant's Detachment, 1st Battalion, for duty in the Band, are to be similarly paid.

15. *Recruits joining at Head Quarters.*

The names of recruits joining a Battalion at Head Quarters, and afterwards given over to the Royal Horse Artillery, Field Batteries, &c. before the end of the month in which they arrive at Head Quarters are to appear in the Pay List of the Adjutant's Detachment of the Battalion first receiving them as recruits, and in that of the Royal Horse Artillery or Field Batteries as effective men, and not as recruits, from the date they actually join the same, the pay, however, of those posted to the Royal Horse Artillery being charged to the end of the month, whether they are intended to serve as Gunners or Drivers, at the rate of 1*s.* 3½*d.* a day.

16. *Officers commanding Detachments of Troops or Companies.*

At home they will give such information in the Monthly Estimates as will enable the Divisional Paymasters to

Company or Detachment.

advise the War Office of the steps which will be necessary to ensure the prompt issue of the money to the Officers in command of the Detachments.

17. *Drivers attached to Battery Companies.*

Drivers attached to Field Battery Companies at home are to appear, as at present, in a separate Muster Roll; but the pay is to be included in the Pay List of the Companies to which they are so attached, in the place specially appropriated for them.

18. *Half-Yearly Alphabetical Lists to be discontinued.*

The half-yearly Battalion and Corps Alphabetical Lists of men entitled to good conduct pay hitherto transmitted to the War Office are to be discontinued.

19. *Settlement of Amounts due to and from Companies in the "General State" not applicable to India.*

The provision made in the "General State" of the Pay List for the settlement of amounts due to and from Troops or Companies does not apply to those serving in India.

20. *Transmission of Pay Lists for Home Service.*

The Pay Lists of Troops and Companies on home service are to be forwarded to the Divisional Paymasters on or before the 6th of the month following that to which such Pay Lists apply, instead of the 3rd, as directed in Article 11 of the War Office Instructions, dated 10th August, 1858, No. 301.

21. *Transmission of Estimates.*

The Troop, Company and Adjutant's Detachment Estimates are to be sent to the Divisional Paymasters by the 8th of each month, instead of the 5th, as directed in Article 9 of the War Office Instructions of 10th August, 1858, No. 301; and the Divisional Paymasters will transmit their Estimates to the War Office by the 15th of each month, instead of the 10th, as directed in Article 8 of the said Instructions.

22. *Supplementary Estimates for Troops, Companies, &c. ordered for Embarkation.*

When Troops, Companies and Detachments are placed under orders for foreign service, the Officers commanding the same are to send to the Divisional Paymasters Supplementary Estimates for advance pay in sufficient time to enable them to procure the necessary funds for immediate issue when required.

23. Referring to Form No. 15 of the specimen Pay List, circulated with the War Office Instructions of 10th August, 1858, No. 301, Officers commanding Troops, Companies and Detachments are informed that, in cases of men transferred from one Troop or Company to another of *the same Corps or Battalion*, the columns headed "place of birth," "trade," "when enlisted," "date of enlistment," need not be filled in, that information being only necessary when the men become non-effective or are transferred to some other Corps or Battalion.

24 *Paymaster's Offices at Woolwich and Chatham.*

The offices of the Paymasters of the Royal Artillery and Royal Engineers being now at Woolwich and Chatham, letters, returns, &c. intended for those Officers are, in future, to be directed accordingly.

No pay will be allowed to any Master Artificer, Foreman, Artificer, Labourer or other person rated as such, who does not attend his call at the stated period, and perform the work allotted to him, unless he is absent with the special permission of the Secretary of State, or in consequence of sickness, when the following rules are to be observed:—

SIR,

I AM directed by Secretary Major General Peel to inform you that married Officers accompanied by their families, if proceeding under circumstances which entitle them to passages at the public expense, will be permitted to embark female instead of male servants to the number of the latter allowed by Regulation; but they will be held liable to defray the difference, if any, between the cost of the respective passages.

I am, Sir, your obedient Servant,

CIRCULAR, No. 352.

War Office, 30th November, 1858.

WITH the view of preventing the possibility of War Department Stores being at any time sold by auction which might be made available for some other branch of the Service;

Secretary Major General Peel desires that, in future, when Stores are lotted for sale, they may be again inspected in order to ascertain, not only whether they are fit for use in the Department to which they appertain, but whether they are wholly inapplicable to the public service; and to this end it is desired that before any sale takes place, a manuscript catalogue, certified according to the annexed Form, be transmitted to this Office for approval.

B. HAWES.

The Senior Military Store Officer.

FORM OF CERTIFICATE.

WE hereby certify that the Stores enumerated in this List have been examined by us, and we are of opinion that the same are unserviceable and unfit for use in the public service.

We therefore recommend that they be disposed of by auction in the usual manner.

To be signed by the Heads of Departments at Woolwich and by the Inspecting Officers at other Stations.

REGULATIONS FOR THE GOVERNMENT OF THE TEMPORARY QUARTERS IN GREAT BRITAIN AND IRELAND, TERMED HALF BILLET STATIONS.

General No. 2,

War Office, Pall Mall, 30th November, 1858.

1. *Premises to be hired by the Military on the Allowance of Half Billet Money.*

THE premises shall, in the first instance, be selected and hired by the Military. Where the Troops are not stationed in a Military District, the necessary orders will be given in Great Britain by the Quartermaster General, and in Ireland by the Deputy Quartermaster General. In all other cases the premises are to be engaged under orders from the General or other Officer commanding the District, and on the terms of half billet money, *the Officer previously requiring the proprietors to answer the questions in Form letter A.* annexed The proprietors to receive the allowance from the date inclusive of the Troops marching in to the date inclusive of the removal of the Troops and Barrack Stores.

2. *Rent to be paid under the Orders of the Secretary of State for War.*

This rent, or half billet money, will be paid to the proprietors, not by the Military Officers, but under the orders of the Secretary of State for War, on accounts to be rendered as hereafter shown.

3. *Account of Rent to be forwarded.—Form No. 1, Account of Half Billet Money.*

In order that the proprietor may receive the rent as soon as possible after it shall have become due, the Barrack Master will, at the expiration of each quarter, transmit to the Office of the Accountant General, War Office, Pall Mall, London, S.W., an account agreeably to the Form annexed, No. 1, showing the rent then due, calculated at the rates therein stated.

4. *Similar Accounts to be furnished on every Removal of the Troops.*

An account in the same form is likewise to be transmitted immediately after the Troops shall have left the Station, the allowance being calculated at the authorized rates from the date of the last payment to the date inclusive of the Stores being removed.

5. *Form No. 2, Return of the Occupancy to be forwarded.—When required.*

For the purpose of checking these claims the Barrack Master will transmit to the Office of the Accountant General a return agreeably to the Form No. 2 annexed, showing the strength of the Detachment for which payment is to be made, and which is to be also signed by the Officer in command of the Detachment, the Barrack Master and the proprietor of the premises, or some one duly authorized on his behalf. This return is to be transmitted at the marching in and marching out of each Detachment, and at every fluctuation of numbers. The Barrack Master to explain to the proprietors that their signatures to these returns are required for facilitating the payments, and to prevent any misunderstanding as to the amount of rent to be paid.

6. *The Accommodation of Half Billet Stations to be communicated to the Secretary of State for War through the Quartermaster General's Department.—The Manner of providing the Equipment.*

When these Half Billet Stations are taken in the manner described in Paragraph 1, the fact is to be duly communicated in each case, with the name of the Barrack to which

it is nearest, through the Quartermaster General's Department to the Secretary of State for War, for his guidance in ordering the supplies, informing him of the number of Officers, Non-commissioned Officers, men and horses, for which it is calculated the premises will afford accommodation, and the period (if possible) for which the premises will be required. The Secretary of State for War will then give the necessary directions for the supply of Barrack furniture required, previously placing the house and furniture under the charge of the Barrack Master most convenient to the Station (of which the Quartermaster General's Department is to be informed), and the Barrack Master will thenceforward regulate all proceedings in the same manner as if the Troops were in permanent Barracks.

7. *Barrack Master to be present when the Station is first occupied and when it is relinquished.*

The Barrack Master *appointed* to the charge, or, in his unavoidable absence in consequence of leave or indisposition, his *appointed* representative or Barrack Serjeant, is to be present when the house is first occupied and when it is vacated.

8. *Notice to be given to a Barrack Master when a Party is removed or exchanged.*

The Commanding Officer of the Regiment or Detachment furnishing the party placed at the Half Billet Station will, upon orders being received by him for the removal or exchange of the party there stationed, give immediate notice to the Barrack Master under whose charge the Half Billet Station is placed, that he may forthwith attend at the Barrack and Equipment in strict conformity with the Regulation of Barracks, by which to take up the Clauses of Her Majesty's Warrant for the 7th, 8th, 9th, 10th and 11th Clauses of Her Majesty's Warrant for the Regulation of Barracks, by which these Stations are in all respects to be governed as if established Barracks.

9. *Provision for giving up the Premises to the Barrack Master.—Equipment to be immediately removed by the Barrack Master, and Report made by him for Authority for the Expense.*

Should the removal of the Troops be so sudden that the attendance of the Barrack Master or Barrack Serjeant cannot be obtained, a Non-commissioned Officer, or, in the event of the strength of the party not allowing one to be left behind, a steady man should remain to deliver up the furniture, &c. with the Inventory, of which the Barrack Master has a duplicate, both reciprocally signed by himself and the Commanding Officer. The Barrack Master will, on ascertaining from the General Officer commanding that the Station is not likely to be again occupied within a short period, and without waiting for a specific order, immediately cause the Stores to be removed to his Head Quarters, reporting by the next post to the Director of Stores the expense attending such removal for his sanction, in order that an authority may be given for passing the charge.

10. *Inspections of Half Billet Stations and Stores to be made Monthly.*

The Barrack Masters will regularly once a month visit every Half Billet Station placed under their charge, and hold an inspection of the Buildings and Stores in strict conformity with Her Majesty's Regulations, transmitting to the several Departments concerned the Forms prescribed by the Instructions to Barrack Masters, dated 1st October, 1838, showing the result of such inspection.

11. *State of Stores to be reported.—Damages by the Troops to be charged to and immediately paid for by them.*

At these inspections all repairs required to Stores are to be reported to the Director of Stores, and such wanton damages as may appear, after making all due allowance for wear and tear, are to be charged to the Troops, and immediately paid for by them, pursuant to the concluding part of the 7th Clause of Her Majesty's Warrant and the General Order, Home Stations, dated 30th March, 1840 (M. G.—122).

12. *On Exchange of Stores being necessary.*

If at these inspections the state of the equipment be such as to demand either a total or partial exchange from the Store of the Permanent Barrack, the Barrack Master will apply to the Director of Stores for authority to incur the expense attendant on such exchange, which will be forthwith granted upon the sum being stated, and satisfactory evidence given of the necessity for incurring the same.

13. *Officers in Command of the Detachments to be held responsible that the Buildings are kept in proper Repair by the Proprietors.*

As the premises are selected and hired by the Military [illegible] nexed (Form B.) will be furnished in duplicate [illegible]

Master General, *one to be sent to the Secretary of State for War*, and the other to be left with the Officer or Non-commissioned Officer in command of the Detachment, whose duty it will be to see that the premises are kept in a proper state by the Proprietor, who will have to make good all repairs resulting from fair wear and tear. On the other hand, all wilful damages done to the premises by the Troops will be carefully noticed by the Barrack Master, and pointed out by him to the Commanding Officer at the time of inspection. The expense will be levied upon the Detachment in the same manner as laid down in the 11th Article of these Regulations.

14. *Damages by Troops, how repaired.—Form No. 3, a Statement of Money received from the Troops for Damages to Buildings to be furnished on Declaration by Barrack Master.*

If the Detachment on being removed be not replaced by other Troops, and the Station be altogether given up, then the full amount of the damages to buildings received from the Troops shall be paid by the Barrack Master to the Proprietor as compensation; but if the Station is to be retained, then the amount of the damages shall be applied by the Proprietor to make good the repairs required; the Barrack Master, however, not paying the sum so received from the Troops till the work has actually been performed.

Thus there will be neither charge nor credit to the public for these repairs; and, in fact, no money paid by the War Office except for rent, and the commuted allowance in lieu of fuel, candles and straw.

The sums paid by the Troops for damages to buildings at the Half Billet Stations must not, therefore, be included in the total amount set forth in the marching-out return as having been paid by the Regiment to the Barrack Master from the period of their first arrival in Barracks to their quitting the same, agreeably to the preceding instructions; but the Barrack Master will, quarterly, at the period of transmitting his accounts, furnish a statement (Form No. 3, annexed) of the sums of money he has received from Troops for damages to the buildings at the Half Billet Stations under his charge, certified, on declaration before a Magistrate, that such sums have been paid to the Proprietors after the damages to the premises have been made good, or as the case may be.

15. *Money paid for Damages, &c. to Stores.*

The money paid for losses and damages of *Stores* at these Stations must be included in the marching-out Return, because such money is actually on the Public Account, and is retained as such by the Barrack Master.

16. *Provision for changing the Sheets.*

Should there be a Barrack Serjeant upon the spot, the Barrack Master will leave in his charge a supply of sheets adequate to one exchange; but if not, he is authorized to place the same in charge of the Officer or Non-commissioned Officer of the party, bearing the number of sheets so left upon the inventory; and he will make such local arrangements for the washing as circumstances may point out to be best for the service.

17. *Troops to receive Commuted Allowance in lieu of Fuel, Candles and Straw.*

The commuted allowance for coals, candles and straw at these Half Billet Stations will be paid by the War Office, on accounts being rendered by the Commanding Officers, certified by such Officers and the *Barrack Masters*, direct to the Accountant General, War Office, Pall Mall, London, S.W., agreeably to Form No. 4, annexed.

18. *A Caution to Barrack Masters.*

Barrack Masters are cautioned to pay the strictest attention to the present Regulations, as they may be assured no excuses will be accepted for any departure from them, or from the Instructions contained in Her Majesty's Warrant.

19. *Rates of Allowance on account of Half Billet Money.*

The Allowance of Half Billet Money is as follows:—

For each	Field Officer	...	...	...	10*s.* 6*d.* per week.

FOREIGN STATIONS.

War Office, 17th December, 1856.

IT having been brought to the notice of the Secretary of State for War that some discrepancy exists between the Instructions to Comptrollers of Army Expenditure with Circular No. 157, and those sent to Commanding Royal Engineers by Circular No. 34, containing revised Section 6 of the Royal Engineer Code, in respect of the charge of lands at Foreign Stations, it seems desirable more clearly to define the duties and responsibilities of the two Officers upon this subject.

With this object the Secretary of State for War desires the following Regulations to be attended to:—

1. The Commanding Royal Engineer is, at Foreign as at Home Stations, the local custodian of the property and rights of the Department in lands, buildings, rights of way and other privileges.

2. He is responsible that accurate plans are kept on record, as well as for the custody of any title deeds or other documents upon which the property is held, which may be ordered to be kept at the Station.

3. He will prevent or report all encroachments which have not received the sanction of the Secretary of State.

4. He will bring to the notice of the Inspector General of Fortifications, and of the Officer commanding the Troops at the Station, any appropriation of lands, buildings, or of the produce of land, which is not authorized by the Secretary of State.

5. He represents the Secretary of State as landlord of all property let, and is responsible for the various conditions of the lease being duly fulfilled.

6. When any land or building is not required for the public service, he will take the orders of the Officer commanding the Troops, as to whether it may not be let for the public benefit; and if that course be approved, the Commanding Royal Engineer will inform the Comptroller of Army Expenditure of the terms and conditions which it will be necessary to observe in letting the property.

7. The Comptroller will then take steps to obtain a suitable tenant by public tender, and in accordance with the general regulations which govern all contracts.

8. The Commanding Royal Engineer, or Officer deputed by him, will be present at the opening of the tenders, and will thereby have an opportunity of expressing his opinion on the merits of the tenders, which he may, should he think proper, bring before the Officer commanding the Troops.

9. Agreements for letting property will be signed by the Comptroller.

10. In letting Canteens, the Barrack Master will communicate the terms and conditions to the Comptroller; and any action on the part of the Commanding Engineer is unnecessary.

11. It will the duty of the Commanding Engineer to acquaint the Comptroller a sufficient time before the expiration of any lease for a term of years; and if there is no objection on the part of the military authorities, the Comptroller will take measures for re-letting the property by competition, consulting the Commanding Royal Engineer as to the conditions to be imposed.

12. The leases and agreements to be deposited with the Commanding Royal Engineer, the Comptroller having the power of consulting them whenever it may be necessary.

13. The disposal of grass, sea-weed, timber or other produce of land which cannot be let, will be conducted under the same regulations.

14. The Comptroller will instruct the Accountant to receive all rents, acknowledgments for encroachments, and every kind of revenue yielded by the property; and in the event of any difficulties or delays in the payments, the Comptroller will take such measures in each case as he may deem proper, having reference to the Circular to the late Board of Respective Officers, dated 26th April, 1847 (S.—48), in the event of legal advice being necessary for the recovery of rent due.

SCHEDULE C.

GENERAL REGULATIONS *for the Government of the Clerks of Works, Royal Engineer Department, at Home and Abroad.*

Article 1.

The Clerks of Works in the Royal Engineer Department, at Home and Foreign Stations, will, from 1st April, 1858, form one general body, divided into three classes, with the relative military rank, salaries and allowances described in the Schedules A. and B. annexed, subject to the conditions hereafter mentioned, in Articles 3 to 13, and every Clerk of the Works will be liable to removal from one Station to another, as the Public Service may require.

Article 2.

It must be distinctly understood by every Clerk of Works that, though in considering his claim to promotion due weight will be given to long and faithful service, the primary ground of advancement will be personal merit, as evinced by professional ability and good conduct.

Article 3.

The new scale and the annual increases of salary will come into operation from 1st April, 1858, in the following cases:—

Where the minimum of the Class in which a Clerk of Works is placed under the new scheme exceeds the established pay attached to his present office, he will be placed on such minimum at once.

Where the maximum of the Class in which a Clerk of Works is placed under the new scheme exceeds the pay attached to his present office, he will be paid from 1st April, 1858, at the rate in the scale of pay immediately above that which he receives in the present year, and afterwards he will be entitled to the annual increase of the Class. For example: a Clerk of Works who is receiving 173*l.* 7*s.* 6*d.* per annum, under the old scale, will, if placed in the Second Class, receive 180*l.* per annum in 1858-9, and after that 10*l.* per year until he reaches the maximum of the Class.

Where the maximum of the Class, however, in which a Clerk of the Works may be placed is *less* than the actual salary he is now receiving, he will be allowed to continue to draw his present salary, in addition to the allowances detailed in Schedule B., until he is promoted to a higher Class.

Article 4.

If an Officer's Salary at the time of promotion be equal to, or higher than, the minimum of the Class into which he shall be promoted, the annual increase of that Class will be given at once.

Article 5.

The Salaries of Clerks of Works, upon first appointment to the Service, will commence as follows:—

If appointed to a Home Station, from the date of joining duty.

If appointed to a Foreign Station, from the date of embarkation.

Article 6.

No increase (except that which will be given on 1st April, 1858, or under Article 4), will be allowed, without the production of the Certificate, Form D., annexed.

Article 7.

The Foreign Service Allowance will be drawn by Clerks of Works ordered from Home on Foreign Service, from the date of embarkation until the date of disembarkation on returning to the United Kingdom, provided they remain on duty the whole of the time they are abroad, but during the time that the Tropical Allowance (Article 9) is payable the ordinary Foreign Service Allowance is not to be received.

Article 8.

As certain Clerks of Works, now on Foreign Service, are in receipt of higher Foreign Pay under former Regulations than the Foreign or Tropical Pay fixed for their Class under this Warrant, they will be placed on the salary of the new scheme, according to Article 3, with such proportion of the former Foreign Pay as, with the new Salary, will make up the *actual* amount of the old Home and Foreign Rate of Pay. In succeeding years, the proportion of the old Foreign Rate of Pay will be further reduced,

Digitized by Google

in the same ratio as the salary increases, until the new rate of Foreign or Tropical Pay is arrived at. For example—

	£	s.	
A Clerk of Works now receiving 12*s.* a-day Fixed Pay	=	219	0 a year.
and 3*s.* a day Foreign Pay	=	54	15 „
	£273	15	

Is placed in the 1st Class of the new Scheme, where

the minimum salary is	£230		
The Foreign Pay	25		
	255	0	

He will therefore be paid thus while serving abroad:—

	Salary.	Foreign Pay.			
	£	£	s.	£	s.
For 1st year, commencing April 1, 1858 ...	230	+ 43	15 =	273	15
2nd „ „ April 1, 1859 ...	240	+ 33	15 =	273	15
3rd „ „ April 1, 1860 ...	250	+ 25	0 the rate for the Class.		

Clerks of Works at Foreign Stations returning to England, or proceeding to any other country on the recommendation of a Medical Board, for the benefit of their health, will draw the allowance to the date of disembarkation. Those going on leave of absence on private affairs will cease to draw the allowance from the day of leaving the Station until the day of rejoining it.

Article 9.

The Tropical Pay, granted at the Stations enumerated in Schedule B. will be drawn from the date of arriving at to that of leaving the Station, the ordinary Foreign Pay being issued for the period of the voyage to or from such Station.

Article 10.

All local allowances granted to Officers serving abroad, not specifically mentioned in these Regulations, will commence and cease as prescribed in the preceding Article for Tropical Pay, excepting such as are dependent upon the performance of any duty, the issue of which will be limited to the time such duty is actually performed.

Article 11.

The allowance for House-rent on Home Service will commence at the date of disembarkation from Foreign Service, provided the Clerk of Works proceeds at once to the Home Station to which he shall have been appointed; if he go on leave before joining the allowance will commence when he joins duty. This latter rule will also apply in cases of first appointment.

A Clerk of Works in receipt of House-rent at a Home Station will draw it when ordered on Foreign Service up to the date of embarkation.

Article 12.

Clerks of Works granted leave of absence upon the recommendation of a Medical Board, or on private affairs, will not, as a matter of course, be entitled to draw full Salary during the whole of such absence, but will be liable to be placed upon the following proportion of salary:—

In cases of ten years' service, and upwards, on two-thirds Pay.

Of less than ten years, on Half-pay.

The dates from which these rates will commence will be determined according to the merits of each case, but in no instance will these proportions of salary be continued beyond twelve months from the date of the Officer landing in England, or (if serving there) beyond twelve months from the date of his ceasing to do duty.

Clerks of Works removed from any Station for the advantage of the service, who may have to wait until a new Station can be allotted to them, will, at the expiration of a month from the time they disembark from foreign service, or cease to do duty (if serving in the United Kingdom) be placed upon two-thirds or half salary, according to their service, for a period not exceeding three months.

Article 13.

At the expiration of the dates specified in the preceding Article, Clerks of Works, if not employed, will be placed on pension, either permanent or temporary, if entitled thereto, or, if not entitled, they will be noted for re-employment.

WHEREAS it is expedient that various alterations should be made in the constitution and emoluments of Clerks attached to the Royal Engineer Department at Home and Foreign Stations, under the orders of our Secretary of State for War, and governed by the Regulations of the late Master General and Board of our Ordnance, dated 31st October, 1827, and 22nd April, 1840:

2. We do hereby declare that the portion of the Civil Establishment of the Royal Engineer Department, which embraces the Clerks attached to the War Office, at Home and Foreign Stations, under the orders of our Secretary of State for War, shall henceforth be constituted as provided for in the Schedules A. and B. hereunto annexed, and that the salaries and emoluments laid down in said Schedules be substituted for the salaries and emoluments heretofore payable, and that in lieu of the Regulations of the late Master General and Board of Ordnance, dated 31st October, 1827, and 22nd April, 1840, the Establishment aforesaid shall be subject to the Rules and Regulations hereinafter contained.

3. And whereas certain of our Civil Officers aforesaid are in actual receipt, under former regulations, of higher salaries and emoluments than those allotted to the classes in which they will serve under this our Warrant, it is our will and pleasure that such higher emoluments shall continue to be received on the conditions specified in the Regulations C.

4. And we do further direct, that in any special cases not provided for by this our Warrant, our Secretary of State for War for the time being may grant such additional emoluments as the circumstances may justify, the consent thereto of the Lords Commissioners of our Treasury being previously obtained.

5. We do likewise empower our Secretary of State for War, for the time being, to make such alterations and revisions in the Establishment constituted by this our Warrant, or to increase the same (with the sanction of the Lords Commissioners of our Treasury), to such extent as from time to time may be expedient for the Public service.

Given at our Court at St. James', this 28th day of April, 1858, in the twenty-first year of our reign.

By Her Majesty's Command.

SCHEDULE C.

GENERAL REGULATIONS *for the Government of the Clerks, Royal Engineer Department, at Home and Abroad.*

Article 1.

The Clerks in the Royal Engineer Department, at Home and Foreign Stations, will, from 1st April, 1858, form a general body, divided into three classes, with the relative military rank, salaries and allowances described in the Schedules A. and B. annexed, subject to the conditions hereafter mentioned in Articles 3 to 13, and every Clerk will be liable to removal from one station to another as the Public Service may require.

Article 2.

It must be distinctly understood by every Clerk that though, in considering his claim to promotion, due weight will be given to long and faithful service, the primary ground of advancement will be personal merit, as evinced by zeal, ability and general good conduct.

Article 3.

The new scales and the annual increases of salary will come into operation from 1st April, 1858, in the following cases:—

Where the minimum of the Class, in which a Clerk is placed under the new scheme, exceeds the established pay attached to his present office, he will be placed on such minimum at once.

Where the maximum of the Class, in which a Clerk is placed under the new scheme, exceeds the pay attached to his present office, he will be paid from 1st April, 1858, at the rate in the scale of pay immediately above that which he receives in the present year; and from 1st April, 1859, he will receive the increase of the Class. For example, a Clerk who is receiving 155*l.* 2*s.* 6*d.* per annum under the old scale, will, if placed in the Second Class, receive 160*l.* in 1858-59, and after that 10*l.* per year until he reaches the maximum of the Class.

Article 4.

Where a Clerk is at present receiving a higher salary than he will be entitled to by these Regulations, he will be allowed to continue to draw such salary, in addition to

Digitized by Google

the allowances detailed in Schedule B. until he is promoted to a higher Class. For example, a Clerk at present receiving 155*l.* 2*s.* 6*d.* a year if placed upon the Third Class, the maximum of which is only 140*l.*, will be allowed to draw the 155*l.* 2*s.* 6*d.*, with the other emoluments of his Class, as detailed in Schedule B., until he is promoted to the Second Class.

Article 5.

The salaries of Clerks, upon first appointment to the service, will commence as follows:—

If appointed to a Home Station, from the date of joining duty.
If appointed to a Foreign Station, from the date of embarkation.

Article 6.

If an officer's salary at the time of promotion be equal to, or higher than, the minimum salary of the Class into which he is promoted, the annual increase of that Class will be given at once.

Article 7.

No increase (except that which will be given on 1st April, 1858, and in Article 6) will be allowed without the production of the certificate, Form D. annexed.

Article 8.

The Foreign Service Allowance will be drawn by Clerks ordered from home on Foreign Service from the date of embarkation until the date of disembarkation on returning to the United Kingdom, provided they remain on duty the whole of the time they are abroad; but during the time the Tropical Allowance (Article 9) is payable, the ordinary Foreign Service Allowance is not to be received.

Clerks at Foreign Stations returning to England, or proceeding to any other country on the recommendation of a Medical Board for the benefit of their health, will draw the allowance to the date of disembarkation. Those going on leave of absence on private affairs will cease to draw the allowance from the day of leaving the Station until the day of rejoining it.

Article 9.

The Tropical Pay granted at the Stations enumerated in Schedule B. will be drawn from the date of arriving at, to that of leaving, the Station, the ordinary Foreign Pay being issued for the period of the voyage to or from such Station.

Article 10.

All Local Allowances granted to Officers serving abroad not specifically mentioned in these Regulations will commence and cease as prescribed in the preceding Article for Tropical Pay; but should a Clerk at any time be granted any allowance dependent upon the performance of any duty, the issue thereof will be limited to the time such duty is actually performed.

Article 11.

The allowance for house rent on Home Service will commence at the date of disembarkation from Foreign Service, provided the Clerk proceeds at once to the Home Station to which he shall have been appointed; if he go on leave before joining, the allowance will commence when he joins duty. This latter rule will also apply in cases of first appointment.

A Clerk in receipt of house rent at a Home Station will draw it when ordered on Foreign Service up to the date of embarkation.

Article 12.

Clerks granted leave of absence upon the recommendation of a Medical Board, or on private affairs, will not, as a matter of course, be entitled to draw full salary during the whole of such absence, but will be liable to be placed upon the following proportion of salary:—

In cases of ten years' service and upwards, on two-thirds pay;
Of less than ten years, on half pay.

The dates from which these rates will commence will be determined according to the merits of each case; but in no instance will these proportions of salary be continued beyond twelve months from the date of the Officer landing in England, or (if serving there) beyond twelve months from the date of his ceasing to do duty.

Clerks removed from any Station for the advantage of the Service, who may have to wait until a new Station can be allotted to them, will, at the expiration of a month from the time they disembark from Foreign Service, or cease to do duty (if serving in

the United Kingdom), be placed upon two-thirds or half pay, according to their service, for a period not exceeding three months.

Article 13.

At the expiration of the dates specified in the preceding Article, Clerks, if not employed, will be placed *on* pension, either permanent or temporary, if entitled thereto, or, if not entitled, they will be noted for re-employment.

AT THE COURT AT WINDSOR,

the 13th day of November, 1858.

PRESENT—THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS there was this day read at the Board a Memorial from the Right Honorable the Lords Commissioners of the Admiralty, dated the 11th of November, 1858, in the words following; viz.

Whereas we consider it expedient to submit to your Majesty a revision of your Majesty's Order in Council of 13th September, 1854, regulating the promotion and retirement of Officers in your Majesty's Royal Marine Forces, and we would therefore venture most humbly to lay before your Majesty the following propositions:—

1. That there shall be a Fixed Establishment of 10 General Officers of Royal Marines, viz.—

2. That every vacancy on the fixed list of General Officers be filled by the senior Lieutenant General, or Major General or by the senior Colonel on the serving strength of the corps, unless there should be a supernumerary Officer, in which case the supernumerary shall fill the vacancy.

3. That in addition to the Colonels promoted to be Major Generals under the above rule, Colonels of Marines shall be eligible for promotion to the rank of Major General, either for brilliant service in the field or afloat, or in consequence of having held commands with temporary rank as Major Generals for five years during peace, or for any shorter period during war which may appear to the Lords Commissioners of the Admiralty, with the sanction of your Majesty, to give a just claim to have their temporary rank made permanent.

5. That the rank of Colonel be given to Officers after serving *five* years with the rank of Lieutenant Colonel in the Corps, or on the Staff in situations held by Lieutenant Colonels.

6. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant Colonel for services in the field, after *eight* years actual service in that rank.

7. That any Captain or Lieutenant Colonel of Marines may be rewarded by Brevet promotion for distinguished service in the field or afloat; but no officer receiving such promotion shall be permitted to exchange Brevet promotion for substantive rank, except for conspicuously distinguished services, and the recommendation in which the services of the Officers shall be detailed shall be published in the London Gazette.

8. That no Officer who held Brevet rank, and was considered eligible, under the 11th clause of your Majesty's Order in Council of 13th September, 1854, to have that rank converted into substantive rank, can any longer retain that privilege; but a Captain and Brevet Field Officer, while continuing in command of his company, shall receive the pay of Major, *i. e.*, an increase of 2*s.* 5*d.* a day, and if reduced to half-pay shall receive 9*s.* 6*d.* a day, the half-pay of Major.

9. That the command of a General Officer or of a division of Marines, and situations on the staff of the Corps, should not be held for more than five years, except by reappointment.

10. That command of Divisions may be given, without reference to seniority, to Officers holding the rank of Colonel, whose services and qualifications best justify their selection.

11. The Deputy Adjutant-General not to be of rank inferior to that of Colonel. The Assistant Adjutant-General not to be of rank inferior to that of Lieutenant Colonel. Two officers of the Royal Marines to hold appointments of Aides-de-Camp to your Majesty, to be selected from the rank of Lieutenant Colonel, and promoted to the rank of Colonel.

12. The retired full-pay list being fixed for the Marines at thirty-five thousand pounds for the retirement of Officers of all ranks in the Corps, the selections shall be made by the Lords Commissioners of the Admiralty for long and meritorious services, and impaired health.

13. Colonels Second Commandant, upon relinquishing the prospect of succeeding to command of Divisions, shall be permitted to retire on 25*s.* a day.

14. Lieutenant Colonels of not less than 30 years' service will be permitted to retire on 20*s.* a day, and those of shorter service, and Officers of inferior rank, on their regimental pay.

15. Paymasters and Barrack Masters of the Royal Marines, after 30 years' service, including at least seven years as Pay or Barrack Master, shall be permitted to retire on 11*s.* a day. If retired after shorter service from impaired health, to receive 11*s.* 6*d.* a day.

16. Each Officer placed on the full-pay retired list shall receive a step of honorary rank, together with the pay of the rank from which he retired, or the special rates above sanctioned, but such Officer cannot be further promoted.

17. Officers commanding Divisions of Royal Marines shall be required to retire therefrom on attaining the age of 60, unless the Lords Commissioners of the Admiralty are satisfied that the discipline and condition of the Division are such as to prove that it would be advantageous to the service for the Colonel Commandant to continue in command of it for the regulated period.

18. The names of all Officers who may retire on full pay to be printed in italics.

Should your Majesty be graciously pleased to approve of these suggestions, we would further most humbly recommend that the same shall take effect from the 14th October, 1858, the date of your Majesty's Royal Warrant regulating the promotion and retirement of Officers in the Army and Ordnance Corps.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honorable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RECRUITING DEPARTMENT.

Horse Guards, S. W., 13th December, 1858.

FREQUENT instances having occurred recently in which Commanding Officers have neglected to comply with the instructions laid down in the "Queen's Regulations and Orders for the Army," p. 292, sect. 10, in not making the required Report until their respective Regiments have considerably exceeded the establishment, or fallen short of it, more attention is requested to this important point, and in future the following course will be adopted, viz.:—

When a Regiment is recruiting merely by its own parties, a Report will be made to the Adjutant General when it is within 10 rank and file of its establishment.

When a Regiment is open to the Districts generally, a like Report will be made when it is within 30 rank and file of its establishment.

When a Regiment is not recruiting by its own parties, and falls 5 rank and file below its establishment, a Report will likewise be made to the Adjutant General.

Cavalry Regiments in India are allowed to raise 66 Supernumeraries, and Infantry Corps serving in that country are permitted to recruit Supernumeraries to the extent of five per cent. of their establishment.

By Command of His Royal Highness
The General Commanding in Chief.

GENERAL ORDER, No. 719.

Horse Guards, S. W., 29th November, 1858.

THE following Regulations in regard to the Examination of Officers preparatory to promotion in the Army are to be substituted for those promulgated by the Circular Memorandum of the 14th May, 1850, 14th July, 1851, and 19th July, 1858.

Before Officers are recommended for promotion to the Rank of Lieutenant, the Commanding Officer will apply to the Senior Officer in the District or Station for a Board to examine and report upon their qualifications.

The Board is to consist (if possible) of three Field Officers, but on no occasion, when it can possibly be avoided, is any Officer of the same Regiment as the Candidate to be placed on the Board.

This Board is to report* to the Military Secretary, for the information of the General Commanding-in-Chief, that the Officers about to be recommended for promotion to the Rank of Lieutenant have been instructed on the following points, viz.:—

1. They must have a thorough knowledge, and must give an account of the duties they have to perform as Regimental Orderly Officers, as Officers commanding Guards, or as Subaltern Officers of Guards under Officers of superior rank.

* The written Questions and Replies are to be sent with the Report of the Board.

Digitized by Google

2. They must have a thorough knowledge of, and be able to put a Company through, the Manual and Platoon Exercise, and be capable of exercising both a Squad and Company in the drill and evolutions as prescribed in the first two parts of the Regulations for the Field Exercise of the Infantry.
3. They must know exactly the place of all the Company Officers in every situation of the Battalion, and be able to command a Company in Battalion exercise.
4. They must be acquainted with such parts of the Queen's Regulations and Orders for the Army as relate to the duties and conduct of a Subaltern Officer, and with the Mutiny Act and Articles of War, so far as is necessary for the performance of their duties as members of a Court-Martial.
5. They must be acquainted with the Queen's Regulations in regard to the Pay and Messing of the Troops and the supply of necessaries.
6. They must know the weight of the knapsack, the weight of the Soldier's firelock, with or without the bayonet, of his pouch, with and without ammunition, the quantity of ammunition it is calculated to carry, and the weight of his accoutrements.
7. Those who have passed through the course of instruction at Hythe must be thoroughly acquainted with Rifle Drill and Practice, and the theoretical principles of Musketry, as defined in the authorized book of instruction.
8. In addition to such portions of the above as may apply to the Cavalry Service, it is necessary, in the case of Cornets:—
    1. That they shall have learnt their Foot-Drill and Sword Exercise, and have been instructed in the Single and Double Ride.
    2. That they shall be able to put a Troop through the Carbine, Lance and Sword Exercise, and to exercise both a Squad and Troop in the drill and evolutions prescribed in the Cavalry Exercise book.
    3. That they shall be able to command a Troop in Squadron Exercise.
    4. That they shall have made themselves masters of the detail of Saddlery, the mode of fitting the saddle, bridle, &c., and of the whole equipment of the Cavalry Soldier and his Horse.

Lieutenants who may have entered the service subsequently to July, 1849, and all who may hereafter enter the Army, will, in addition to the above, before they are recommended for promotion to the rank of Captain, be required to have:—

9. A thorough knowledge of the provisions of the Mutiny Act and Articles of War, and of the forms and proceedings of Courts Martial; and must give evidence of having studied some of the standard works on that subject.
10. They must understand perfectly the evolutions of a Regiment of Cavalry or a Battalion of Infantry, as laid down in the Regulations for those services respectively.
11. They must be acquainted with the Light Infantry Drill, Outpost Duties, Patrols, Escorts, Advanced and Rear Guards.
12. They must perfectly understand the interior economy of a Troop or Company, and the established system of keeping their accounts.
13. They must be thoroughly acquainted with the Queen's and War Office Regulations.
14. It must be ascertained that they are competent to take charge of a Troop, Company or Detachment, in every position in which it may be placed.
15. And they must be required to show that they have a sufficient knowledge of Field Fortification and Reconnoissance to be enabled to fulfil the important duties detailed in the Field Exercise Book, from page 313 to 317.

The examination of Officers for the rank of Captain is to be made by Boards of Officers, to be appointed by the General or other Officer commanding the District or Station, one of the senior Officers in each Station or Garrison being President, and of two Field Officers (if possible) not belonging to the same Regiment as the Candidate.

In all cases the Board of Examiners will ascertain by practical examination, and not by the acceptance merely of verbal or written answers to questions, whether the Officer in instructed in the subjects specified in paragraphs 2, 3, 8, 10 and 11 of this General Order.

The General or other Officer commanding the District or Station will forward the report of the Board (with the written questions and replies) to the Military Secretary, accompanied by his own observations thereon.

Every Cornet or Ensign is to be examined on the different points herein specified, before he has completed eight month's service, and, should he fail to qualify himself for promotion within that period, his Commanding Officer must report, for the information of the General Commanding-in-Chief, whether it is owing to a want of diligence

and attention on the part of the Officer, or to circumstances (such as sickness or others) over which he could have had no control.

The General Commanding-in-Chief hopes that the Subalterns of the Army will see the necessity of using their utmost exertions to acquire a knowledge of their professional duties, as His Royal Highness will not hesitate to promote (either Regimentally or from other Corps) Officers who may have passed the required examination, in the place of the idle and incompetent.

It is the imperative duty of all Commanding Officers to pay close attention to the instruction of young Officers, and His Royal Highness will hold them as responsible for the performance of this duty, as for the due instruction and training of the Non-Commissioned Officers and Soldiers under their command.

By Command of His Royal Highness
THE GENERAL COMMANDING-IN-CHIEF.

G. A. WETHERALL,
Adjutant General.

THE VICTORIA CROSS.

THE following Officers, Non-Commissioned Officers and Private Soldiers have been awarded the above Decoration in addition to those whose Names were published in "*The Monthly Army Lists*" for March, June, July, Oct. and Dec. 1857, and January, February, May, July, September, October and November, 1858.

War Office, Dec. 24th, 1858.

THE QUEEN has been graciously pleased to confirm the grant of the Decoration of "The Victoria Cross" to the under-mentioned Officers, Non-commissioned Officers and Privates of Her Majesty's Forces and Indian Military Forces, which Decoration has been provisionally conferred upon them by the Commander in Chief in India, in accordance with the rules laid down in Her Majesty's Warrant instituting the same, on account of Acts of Bravery performed by them in that country, during the operations under his personal command, as recorded against their several names, viz.:—

M'INNES.—Date of acts of bravery, from 14th to 22nd November, 1857.—Elected respectively under the 13th clause of the Royal Warrant of the 29th of January, 1856, by the officers and non-commissioned officers generally, and by the private soldiers of each troop or battery, for conspicuous gallantry at the relief of Lucknow, from the 14th to the 22nd of November, 1857.

1st Bengal European Light Cavalry.—Lieutenant HUGH HENRY GOUGH.—Date of acts of bravery, 12th November, 1857, and 25th February, 1858.—Lieutenant Gough, when in command of a party of Hodson's Horse, near Alumbagh, on the 12th of November, 1857, particularly distinguished himself by his forward bearing in charging across a swamp, and capturing two guns, although defended by a vastly superior body of the enemy. On this occasion he had his horse wounded in two places, and his turban cut through by sword cuts, whilst engaged in combat with three sepoys.

Lieutenant Gough also particularly distinguished himself near Jellalabad, Lucknow, on the 25th February, 1858, by showing a brilliant example to his regiment, when ordered to charge the enemy's guns, and by his gallant and forward conduct he enabled them to effect their object. On this occasion he engaged himself in a series of single combats, until at length he was disabled by a musket-ball through the leg, while charging two sepoys with fixed bayonets. Lieutenant Gough on this day had two horses killed under him, a shot through his helmet and another through his scabbard, besides being severely wounded.

Bengal Artillery.—Lieutenant FREDERICK SLEIGH ROBERTS.—Date of act of bravery, 2nd January, 1858.—Lieutenant Roberts' gallantry has on every occasion been most marked.

On following up the retreating enemy on the 2nd January, 1858, at Khodagunge, he saw in the distance two sepoys going away with a standard. Lieutenant Roberts put spurs to his horse, and overtook them just as they were about to enter a village. They immediately turned round and presented their muskets at him, and one of the men pulled the trigger, but fortunately the caps snapped, and the standard-bearer was cut down by this gallant young officer, and the standard taken possession of by him. He also, on the same day, cut down another sepoy who was standing at bay, with musket and bayonet, keeping off a sowar. Lieutenant Roberts rode to the assistance of the horseman, and rushing at the sepoy, with one blow of his sword cut him across the face, killing him on the spot.

HORSE GUARDS,
29th May, 1855.

ALL FIELD OFFICERS *whose names are allowed to be retained in the* ARMY LIST, *whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October*, 1854, *shall send a Certificate to Her Majesty's Secretary-at-War of their being alive on the 1st January and the 1st July of each year.*

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

BANK OF DEPOSIT.

ESTABLISHED MAY, 1844.

CAPITAL STOCK, £100,000.

No. 3, PALL MALL EAST, LONDON, S.W.

(Head Office.)

OBJECTS OF THE COMPANY.

THIS COMPANY was established in 1844, for the purpose of opening to the public an easy and unquestionably safe mode of Investment, with a high and uniform rate of Interest.

PLAN OF OPERATIONS.

The plan of the Bank of Deposit differs entirely from that of ordinary Banks in the mode of employing Capital—money deposited with this Company being principally lent upon well-secured Life Interests, Reversions in the Government Funds, or other property of ample value. This class of securities, although not immediately convertible, it is well known yields the greatest amount of profit, combined with perfect safety. Further, Loans made by the Company are collaterally secured by a Policy of Assurance on the life of the Borrower, or his nominee, effected at a rate of premium which insures the validity of the Policy against every possible contingency.

Thus Depositors are effectually protected against the possibility of loss, whilst the large and constantly increasing revenue, arising from the premiums on Assurances thus effected, yields ample profit to the Company, and provides for all the expenses of management.

DEPOSIT ACCOUNTS.

Deposit Accounts may be opened with sums of any amount, and increased from time to time, at the convenience of Depositors. A receipt signed by two Directors, is given for each sum deposited.

WITHDRAWAL OF DEPOSITS.

In order that the permanent and profitable investments in which the funds are employed may not be unnecessarily disturbed, and as a protection to Depositors themselves, the BOARD OF MANAGEMENT have reserved power to require six months' notice before Deposits can be withdrawn. In practice, however, it has not hitherto been found necessary to require further notice than sufficient time to make the proper application at the weekly meeting of the Board, when parties have been allowed to withdraw the whole or any part of their Deposits.

Deposits made by Special Agreement may be withdrawn without notice.

RATE AND PAYMENT OF INTEREST.

The rate of Interest since the establishment of the Company has never been less than five per cent. per annum; and it is confidently anticipated, that the same careful and judicious selection from securities of the description above mentioned will enable the BOARD OF MANAGEMENT to continue this rate to Depositors.

The Interest is payable in January and July, on the amount standing in the name of the Depositor on the 30th of June and 31st of December, and for the convenience of parties residing at a distance, may be received at the Branch Offices, or remitted through Country Bankers.

PETER MORRISON,
Managing Director.
